Part 2: Scientific and technical objectives

Describe the objectives, context and rationale of your project. (Word limit: 300 words)

Description

Describe the original and innovative aspects of your project, including the potential to inform policy where applicable. (Word limit: 150 words)

Originality and innovation

Part 3: Quality of the methodology and implementation
Provide the proposed method, work plan and schedule for your project. Please be as specific as possible. (Word limit: 300 words)

Methodology and work plan

Describe briefly the reason why you chose this host institution and/or dataset. For example, name potential researchers at the host institution who you would like to collaborate with. (Word limit: 150 words)

Choice of host institution/dataset
Alternate institution

If possible, name another host institution in which the project could alternatively be carried out

(Drop down list, if possible of the following:

- University College Dublin, Ireland
- Manchester Metropolitan University, UK
- Netherlands Interdisciplinary Demographic Institute, The Netherlands
- University of Essex, UK
- CenterData, Tilburg, The Netherlands
- European Centre for Social Welfare Policy and Research, Vienna, Austria
- Institut National d’Études Démographiques Paris, France
- IPSOS, Berlin, Germany

Proposed duration and date of project

Date from: xxxxx Date to: xxxxx

Duration: xx days (drop down list, if possible: 5 (min) - 15 (max) working days)

Please list the specific requests, equipment and material you wish to use during your time at the host institution, if any (e.g. desktop computer).

Material, requests and equipment for your project
Risks and contingencies

*Describe the potential risks and contingencies that might occur during the proposal and/or the project, and how you plan to avoid, mitigate or resolve them. (Word limit: 150 words).*

Outcome of the visit

*Please describe what outcomes you would like from your visits (e.g. access to expertise in data, potential collaborators) (Word limit: 150 words).*

Part 4: Scientific excellence of applicant

Short biography of the Applicant

*Provide a short biography. (Word limit: 150 words)*
List of recent relevant publications/conference presentations/achievements (in the past three years)
